On Campus Incidents 24

Because we do have a School Resource Officer, we are able to respond to more issues that "could" have a potential criminal consequence though most of these incidents do not result in criminal reports. We do, however, spend time educating students as to the possible ramifications of their actions and consider this a proactive and preventative intervention. We have security gates, a school-wide crisis plan, a Threat Assessment Team, security/duty aides, and mediation, a school discipline program
